Dear Harold Sellers:

Thank you for your correspondence of July 23, 2026, which was co-addressed to the Honourable Julie Dabrusin, Minister of the Environment, Climate Change and Nature, regarding the proposed Alberta west coast oil pipeline project.

The matter you have raised falls within the purview of Environment and Climate Change Canada. I trust that Minister Dabrusin, the Minister responsible for that department, will give it every consideration.

Again, thank you for writing.

Yours sincerely,
